Subject: Undertaking for Submission of Consent to Establish Certificate from the Pollution Control Board

Respected Sir/Madam,

I/We, Priya Sarkar Proprietor Avyukt Enterprises, having our registered office at _____, hereby submit this undertaking in connection with the requirement of the Consent to Establish (CTE) Certificate from the [State Pollution Control Board] for our project Avyukt Enterprises.

We would like to inform you that the new online portal for filing applications for the said certificate was launched on February 28, 2025. However, due to technical issues on the website, we have been unable to submit our application and obtain the certificate at this time.

We hereby undertake that we will apply for and submit the Consent to Establish Certificate to the bank before the disbursement of the loan/funds, as required. We request the bank to consider our application and proceed with the necessary process, acknowledging this delay due to technical reasons beyond our control.

This undertaking is given in good faith, and we assure you of our compliance with all regulatory requirements at the earliest.

Thank you for your understanding and cooperation.
